Member event  
Lake Tschida

**APRIL 25**

North Dakota Career  
Tour applications due

**JUNE 12**

Annual meeting in  
Mandan

## In case you missed it...

### Celebrating National Lineworker Appreciation Day

As we approach National Lineworker Appreciation Day on April 14, we would like to highlight our lineworkers and the crucial work they do at Mor-Gran-Sou Electric Cooperative. Read more about our lineworkers on C1-4 in our local pages.

### Join us for a member appreciation event

Join us for one of our membership appreciation events, and enjoy food and visit with our board of directors, CEOs, staff and other members. All members are invited for a fun-filled night of bingo and camaraderie. We kindly ask you RSVP by calling the office or by visiting our website, [www.morgransou.com](http://www.morgransou.com).

### The North Dakota Career Tour application deadline is approaching

Explore North Dakota's energy sector and learn more about careers that power us. Visit our website for details and to apply, [www.morgransou.com/north-dakota-career-tour](http://www.morgransou.com/north-dakota-career-tour).

**Read these stories and more in this month's issue of *North Dakota Living*.**

# TIPS FOR SAFE DIGGING

1

## NOTIFY

Call 8-1-1 or make a request online by visiting: [www.ndonecall.com](http://www.ndonecall.com). Be sure to make the request two to three days before you start.

2

## WAIT

Wait three days for a response to your request. Affected utilities will send a locator to mark any underground utility lines.

3

## CONFIRM

Confirm that all affected utilities have responded by comparing the markers to the list of utilities the 8-1-1 call center notified

4

## RESPECT

Respect the markers provided by the affected utilities. They are your guide for the duration of your project.

5

## DIG CAREFULLY

If you can't avoid digging near the markers (within 18-24 inches on all sides) consider moving your projects.
