

Spring into safety

Hey, kids! Fly kites, drones and other toys in large, open areas like a field or park. Stay far away from power lines. If a kite gets stuck in a tree that's near a power line, do not climb up to get it. Contact Mor-Gran-Sou for assistance.

Parents, please take a walk around your property with your kids, and look for those big green boxes (pad-mount transformers), poles and power lines. Tell them to stay away so they can stay safe, and enjoy a fun-filled spring!

2021 Virtual Annual Meeting Friday, July 16, 2021

IMPORTANT: Annual Meeting update

Similar to last year, the Mor-Gran-Sou Electric Cooperative board of directors has decided for the safety of our members to schedule the 2021 Annual Meeting as a virtual meeting only. It will be held Friday, July 16, and televised on BEK TV.

All voting for this year’s annual meeting will take place by mail, as permitted by your cooperative’s bylaws and policies. The voting will include the election of the board of director positions for At-Large, Morton County and Sioux County.

Please look for details in the ballot packet scheduled to be mailed mid-June. ■

Mor-Gran-Sou announces candidates seeking board of director positions

The pursuit to earn a board seat begins for four Mor-Gran-Sou Electric Cooperative members vying for one of three board director positions up for election in July. In 2021, the three board positions sought include one for the At-Large position, one for the Morton County position, and one for the Sioux County position.

The board of directors set March 11 as the deadline for receiving members’ completed declaration of candidacy forms. The Nominating Committee met for a final time on March 18. At that meeting, the committee declared that the candidates’ names they received be forwarded to the board of directors for approval. Upon confirmation of eligibility at its regular board meeting on March 24, the Mor-Gran-Sou board of directors accepted the following nominations as willing and qualified candidates:

At-Large:
Steve Tomac, St. Anthony

Morton County:
Kathy Tokach, St. Anthony

Sioux County:
Chad Harrison, Fort Yates
Lisa Kraft, Selfridge

A full biography of each candidate will appear in Mor-Gran-Sou Electric Cooperative’s annual report, scheduled to be mailed mid-June.

Unclaimed Capital Credits

The following list contains the names of current or former Mor-Gran-Sou Electric Cooperative members who have unclaimed capital credit checks that were mailed in December.

These checks have either been received but not cashed, or returned to Mor-Gran-Sou by the postal service because they could not locate the members at the address on file. A further search by Mor-Gran-Sou personnel has not turned up their whereabouts.

If you know of the whereabouts of members on this list who received electrical service from Mor-Gran-Sou, please have them contact our office at 701-597-3301, 701-663-0297 or 800-750-8212.

Please keep in mind that not all of the capital credit amounts are large, but we would like to get these checks to the proper parties. Persons who wish to claim checks from the following list should be prepared to provide proper personal identification.

What are capital credits?

Mor-Gran-Sou Electric Cooperative is a nonprofit business. We exist only to provide goods and services to you, our members; not to make a profit for a shareholder or investor. Cooperatives are operated to provide at-cost electric service to their members.

When all the expenses are paid, the cooperative's margins are credited to you in the form of capital credits. As the financial condition of your cooperative allows, you are paid these capital credits. In the meantime, your capital credits are your equity in the cooperative.

Refunds are allocated based on the amount of business a member does with the cooperative — the more electricity used, the larger the capital credit check.

If you have questions about your capital credits or would like a more detailed explanation, contact Mor-Gran-Sou at 701-597-3301, 701-663-0297 or 800-750-8212.

Safety poster contest winners announced

Area youth offer ideas on safety around electricity

Mor-Gran-Sou continues to receive a strong message from children in the area as 85 posters were received for the annual poster coloring contest. The posters were judged by employees during the all-employee meeting in March.

Students were instructed to concentrate on the following topic: How do you stay safe at your home or farm when around electricity? We had a wide

variety of scenes showing safety around the home and farm communities.

Mor-Gran-Sou hopes the contest made the students more aware of their responsibility in practicing safety around electricity. We wish our young people a great summer and remind them to stay safe when working or playing around electricity.

This year's winners include:

Preschool through kindergarten:

First place: *Rosalia Fergel*, daughter of Brian and Elaine Fergel, Mandan
